Materialise Announces Results of 2023 Annual General Shareholders' Meeting

Leuven, Belgium – June 8, 2023—Materialise NV (NASDAQ: MTLS), a leading provider of additive manufacturing software and of sophisticated 3D printing solutions, today announced the results of the votes cast at its Annual General Shareholders' Meeting held on Tuesday, June 6, 2023 at 10.00am (CET).

At the Annual General Shareholders' Meeting, the shareholders approved all resolutions, including the Belgian GAAP statutory annual accounts for the fiscal year 2022.

The shareholders also elected the following directors to serve until the next Annual General Shareholders' Meeting:

Mr. Wilfried Vancraen

Mr. Peter Leys

A TRE C CVOA, represented by Mr. Johan De Lille

Mrs. Hilde Ingelaere

Mr. Jurgen Ingels

Mr. Jos Vander Sloten

Mrs. Godelieve Verplancke

Mr. Bart Luyten

Mr. Volker Hammes

Mr. Sander Vancraen

The shareholders also approved the reappointment of the company's auditor for a three-year term.

About Materialise

Materialise incorporates three decades of 3D printing experience into a range of software solutions and 3D printing services, which together form the backbone of the 3D printing industry. Materialise's open and flexible solutions enable players in a wide variety of industries, including healthcare, automotive, aerospace, art and design, and consumer goods, to build innovative 3D printing applications that aim to make the world a better and healthier place. Headquartered in Belgium, with branches worldwide, Materialise combines the largest group of software developers in the industry with one of the largest 3D printing facilities in the world.
