

Materialise Share-Buy Back Program

February 17, 2026

Leuven – 17 February 2026 – 22h00 CET
Regulated information^[1]

Materialise reports on the progress of its share buy-back program announced on 30 October 2025.

17 February 2026 – Materialise NV (Euronext: MTLN) (Nasdaq: MTLN) (“Materialise”) (“the Company”) hereby discloses certain information in relation to its share buyback program announced on 30 October 2025, in accordance with Article 8:4 of the Royal Decree of 29 April 2019 implementing the Belgian Code on Companies and Associations. Under this program, Materialise has granted a discretionary mandate to an independent financial intermediary to repurchase Materialise shares for an amount of up to EUR 30 million.

Materialise reports the purchase of 52,222 Materialise shares in the period from 9 February 2026 up to and including 13 February 2026. The shares were repurchased at an average price of 4.67 EUR per share for a total consideration of 243,734 EUR.

52,222 shares were repurchased through the central order book of the following exchanges:

Date of repurchase	Exchange	Number of shares	Total amount (EUR)	Total amount (USD)	Average price (EUR)
09/Feb/2026	NASDAQ	10,886	51,375	61,064	4.72
10/Feb/2026	NASDAQ	9,484	45,088	53,627	4.75
11/Feb/2026	NASDAQ	5,658	26,381	31,393	4.66
12/Feb/2026	NASDAQ	19,357	88,572	105,170	4.58
13/Feb/2026	NASDAQ	6,837	32,319	38,336	4.73
Total of the week		52,222	243,734	289,591	4.67

No shares were repurchased through cross trades or block trades.

Since the start of the share buy-back program on 26th of January 2026, Materialise has bought back 163,345 shares for a total amount of 754,080 EUR (895,012 USD) under the share buy-back program. This corresponds to 0.3% of the total shares outstanding.

Materialise currently holds 163,345 own shares.

The overview relating to the share buy-back program is available on <https://investors.materialise.com/> and will be updated on a weekly basis.

About Materialise

Materialise incorporates more than three decades of 3D printing experience into a range of software solutions and 3D printing services that empower sustainable 3D printing applications. Our open, secure, and flexible end-to-end solutions enable industrial manufacturing and mass personalization in various industries — including healthcare, automotive, aerospace, eyewear, art and design, wearables, and consumer goods. Headquartered in Belgium and with branches worldwide, Materialise combines the largest group of software developers in the industry with one of the world's largest and most complete 3D printing facilities.
