

## **Materialise to Present at Stephens Spring Investment Conference on Tuesday, June 2, 2015**

May 26, 2015

LEUVEN, Belgium, May 26, 2015 (GLOBE NEWSWIRE) -- Materialise NV (Nasdaq:MTLS), a leading provider of additive manufacturing software and of sophisticated 3D printing solutions in the medical and industrial markets, will attend the Stephens Spring Investment Conference on Tuesday, June 2, 2015.

The conference, which is by invitation only, will be held at the New York Palace Hotel in New York City. Executive Chairman Peter Leys will present at 3:00 p.m. ET in the Louis Room.

The company will meet one-on-one with institutional investors during the day. The company's investor presentation will be available at: <http://investors.materialise.com>.

To obtain additional information about Materialise's participation in the conference, please contact LHA.

### **About Materialise**

With its headquarters in Leuven, Belgium, and branches worldwide, Materialise is a provider of Additive Manufacturing (AM) software solutions and sophisticated 3D printing services in a wide variety of industries, including healthcare, automotive, aerospace, art and design and consumer products. Materialise has been playing an active role in the field of AM since 1990, through its involvement in AM for industrial and medical applications, by providing biomedical and clinical solutions such as medical image processing and surgical simulations and by developing unique solutions for its customers' prototyping, production, and medical needs.
