

Materialise to Present at Citi Global Technology Conference on Wednesday, September 7, 2016

August 25, 2016

LEUVEN, Belgium--(BUSINESS WIRE)--Aug. 25, 2016-- Materialise NV (NASDAQ:MTLS), a leading provider of additive manufacturing software and of sophisticated 3D printing solutions, today announced that management will participate in the Citi Global Technology Conference on Wednesday, September 7, 2016.

The conference, which is by invitation only, will be held at the New York Hilton Midtown Hotel in New York City. Executive Chairman Peter Leys will meet one-on-one with institutional investors and participate in a roundtable group meeting at 3:40 p.m. ET. The company's presentation will be available on its website at: <http://investors.materialise.com/phoenix.zhtml?c=253045&p=irol-calendar>.

To obtain additional information about Materialise's participation in the conference, please contact LHA. Attendees can also contact their Citi representative to arrange a meeting.

About Materialise

Materialise incorporates more than 25 years of 3D printing experience into a range of software solutions and 3D printing services, which together form the backbone of the 3D printing industry. Materialise's open and flexible solutions enable players in a wide variety of industries, including healthcare, automotive, aerospace, art and design, and consumer goods, to build innovative 3D printing applications that aim to make the world a better and healthier place. Headquartered in Belgium, with branches worldwide, Materialise combines one of the largest groups of software developers in the industry with one of the largest 3D printing facilities in the world.
